

FORMER INTERN TESTIMONIALS

"My time at Sustainable Westchester has been filled with interesting projects and working with an amazing team. As a clean energy associate, my role focused on supporting community campaigns, residential & municipal engagement, & researching potential collaborations & project funds. The staff at Sustainable Westchester are sustainability experts and their leadership in clean energy has made my experience working here so rewarding!"
- Amy Liang, 2021 Clean Energy Associate

"Sustainable Westchester cultivated an inclusive and growth driven environment where I was able to set the foundations for the next step in my career. As an associate, I was encouraged to become involved in different programs and was given the chance to contribute to these initiatives in a meaningful way. The professional skills developed at Sustainable Westchester has prepared me to further my career in energy and sustainability."
-Kevin Guzman, 2022 Clean Energy Associate

SUSTAINABLE WESTCHESTER

Solutions for vibrant, sustainable communities

JOIN OUR TEAM!

Sustainable Westchester is a nonprofit organization, facilitating collaboration on sustainability initiatives.

LEARN MORE HOW TO GET INVOLVED THROUGH
OUR INTERNSHIP AND VOLUNTEER OPPORTUNITIES

Why Chose Us?

Sustainable Westchester aims to train and educate the next generation of environmental advocates in Westchester County. Sustainable Westchester hires students and recent alumni who have the skills, passion, intelligence and maturity to take on significant responsibility.

Throughout the duration of the position, SW interns can expect to work with elected officials, municipal leaders, community members, subject matter experts and consultants to provide a one-of-a-kind experience while building safe, healthy and climate-conscious communities.

GET INVOLVED

FIND THE EXPERIENCE THAT BEST MATCHES YOUR NEEDS

High School Senior Experience

Does your high school offer an internship program or Senior Experience such as CHOOSE, ASPIRE or WISE? Sustainable Westchester seeks qualified high school seniors for our Spring internship.

Clean Energy Internship Program

This paid position is best filled by a college student, recent college graduate or an 18-to 24-year-old participating in a work-preparedness training program.

College Level Internship Program for Course Credit

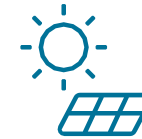

This unpaid position is open to college students seeking an internship for course credit.
